Hi Kristen,

I wanted to know if you could add three people from the drug lab to the all dph mailing list; we currently don't receive any of the TGIF mailings and missed several of the mailings regarding computer problems. The names and emails are listed that need to be added.

Nicole Medina: Nicole.Medina@MassMail.State.MA.US

Kate Corbett: Kate.Corbett@MassMail.State.MA.US

Daniel Renczkowski: Daniel.Renczkowski@MassMail.State.MA.US

I am not sure that this is your area and if not can you please advise of how to get onto that mailing.

Thank you,

Nicole Medina
